## Bass Island Line Update – edition 10

Due to forecasted strong wind and high sea warnings for Bass Strait, the Bass Island Line (BIL) sailing due to depart today will now depart tomorrow.

The Investigator II is now due to leave Devonport for Grassy with general cargo tomorrow morning (instead of 5pm this evening).

The Investigator II will then sail from Grassy to Stanley to load trailers for a livestock sailing.

To check the updated sailing schedule, please visit the BIL website at <https://bassislandline.com.au/>

The livestock sailing over the weekend was a success with 329 cattle moved from King Island to mainland Tasmania.

BIL continues to strongly encourage all islanders to book their orders as early as possible by calling **1300 038 228**.

BIL has now delivered 445 containers to King Island, including 166 fertiliser containers.

BIL currently has forward bookings for 41 containers, including 24 fertiliser.
