# Bass Island Line Update – edition 51

## King Island sports day

TasPorts were proud to be involved with the annual King Island District High School Sports Day that took place last Wednesday on the island.

Pictured: Students from King Island District High School enjoying their annual sports day in their new TasPorts sponsored T-shirts.

As proud sponsors of the event, TasPorts provided t-shirt for students representing one of two school teams on the day.

The school teams Bronzewing (gold) and Cataqui (blue) wore their colours with pride as they battled it out for ultimate glory in fan-favourite events such as tug-a-war and the sack race.

As a yearly event that has been enjoyed by many students of the past, TasPorts was

happy for the opportunity to be involved in this well-loved tradition. Everyone is a winner in our eyes and we hope everyone who participated enjoyed their day!
