# Bass Island Line Update – edition 77

## BIL Update changes on the way

Bass Island Line will soon be introducing some improvements to the weekly BIL Update newsletter.

A new and improved format along with content changes are on their way. It's our hope that this will improve the quality of the newsletter for our stakeholders and customers.

After almost 80 editions across more than 16 months, it's time for an upgrade, so stay tuned!

## Meet the John Duigan crew

The hard working crew of *John Duigan* has been enjoying some calmer weather in recent weeks and recently took a moment to capture this great photo, en route from Geelong to Grassy.

We thought it would be nice to introduce you to the crew, and since it's AFL Grand Final tomorrow let you know which team they barrack for.

There is a West Coast Eagles and Collingwood supporter on board so a bit of good natured rivalry is expected when the crew watch the game at the Port of Grassy!
